Repair of Mobil Golf Pier

Questions Submitted by Smithbridge Guam on February 2, 2022 via e-mail

1. Smithbridge Guam: Will the Port consider alternative design tenders to achieve the same objective?

PAG's Response: No, not at this time. Bidders must comply to the specifications provided. It is also important to note that nothing changes anything in the IFB unless through an amendment.

2. Smithbridge Guam: Will it be considered compliant and responsive to submit an alternative tender without a conforming tender?

PAG's Response: Primary bids that comply to the specifications requirements will be considered for award. Alternative bids that do not conform will be considered non-responsive and bid shall be rejected.
