NEWS RELEASE

FEMA sets up satellite site at the Port

Piti, Guam, June 15, 2023: Notice to all Cabras Island tenants/employees: The Federal Emergency Management Agency (FEMA) opened up a Registration Intake Center this morning at the Port's training room.

"This is FEMA's satellite disaster recovery center so that Port employees, tenants, industry partners, and all businesses within Cabras Island could file FEMA claims at this location, and we are so thankful that they have boots on the ground," said Port General Manager Rory J. Respicio.

Representatives will assist claimants with registration, filing a claim, provide updates on the status of an application, and general inquiries. The intake center will be open from 9 a.m. to 9 p.m. Thursday, June 15 through Saturday, June 17, 2023.

"We also requested they to extend their hours of operations to accommodate employees who work the night shift, which is why they will be open until 9 p.m.," Respicio said.
